Mr. Steve Sims  
President  
ILA Local 1475  
Savannah, GA

Dear Steve,

President Robb has advised me there has been an effort of Local 1475 members seeking to make motions from the floor to alter the Committee Report findings. The Committee Report adopted by President Daggett is final. Therefore, any motion to alter the Report is out of order. Any effort to change the process as determined by the Committee must be first submitted to the Committee. No motions to alter the report findings can be considered. I hope this sufficiently clarifies the situation. If you have any questions, please call me.

Fraternally,

Benny Holland, Jr.  
Executive Vice President Emeritus
