RE: Local 1475 Negotiation for Additional Positions

Dear Brothers and Sisters:

It has come to my attention that the Local 1475 membership voted against negotiating for additional positions due to my March 6, 2023 letter that instructed local unions to cease local negotiations until further notice. Please be aware that this letter does not prevent local unions from negotiating with employers for additional positions that may be available to the local bargaining unit. Therefore, you may negotiate manning with respect to additional positions that may be available to Local 1475 and will not be in violation of my prior directive. As always, please ensure that any negotiations with respect to manning comply with Article XI of USMX-ILA Master Contract that pertains to the use of new technology.

Fraternally yours,

Harold J. Daggett
President
