

# INTERNATIONAL LONGSHOREMEN'S ASSOCIATION STRIKE PLAN

## PICKET LINES DO'S AND DON'TS

**DO**

follow the instructions of your picket line captain or other union representatives.

**DON'T**

block entrances, exits, or normal pedestrian or traffic flow.

**DO**

peacefully picket in a moving line, carrying picket signs, and chanting at or near entrances to USMX employer facilities.

**DON'T**

block vehicles entering or exiting the worksite you're picketing.

**DO**

distribute flyers to anyone seeking to cross the picket line.

**DON'T**

cause any damage to vehicles or other employer property such that anyone could claim you are responsible for causing property damage.

**DO**

peacefully attempt to persuade others to honor our picket line and support our strike.

**DON'T**

get into any heated exchanges or physical altercations with any individual.

**DO**

explain that we are on strike because USMX employers have forced us on strike by insisting on a contract that threatens our jobs and our livelihoods.

**DON'T**

intimidate anyone seeking to cross the picket line.

**DON'T**

threaten anyone with physical violence or property damage.

**DO**

call people who cross our picket lines SCABS, but do not engage with them in any other way.

**DON'T**

litter, drink alcohol, or consume non-prescription drugs.
