Re: Maintenance Inspection Lane Staffing in Savannah, GA

Dear President DeLoach:

This letter is to confirm that the International Longshoremen's Association ("ILA") and Gateway Terminals, LLC have reached a side letter agreement to the Master Contract between the ILA and the United States Maritime Alliance, Ltd. ("USMX") concerning the future staffing of maintenance inspection lanes at the marine terminals in Savannah, GA. The side letter agreement both preserves for ILA Local 1475-represented clerks and checkers inspection work at existing container lanes located at the Garden City Terminal and secures for ILA Local 2046-represented maintenance and repair workers inspection work at newly opened container lanes at the Garden City Terminal and those which will be opened and operated at the Ocean Terminal when that marine terminal opens for business.

This side letter agreement became effective upon the ratification of the USMX-ILA Master Contract (October 1, 2024 through September 30, 2030).

Very truly yours,

Andre Mazzola
